E-Capital Summit
Program Agenda
April 20 - 22, 2022
Earthx2022
MISSION

EarthxCapital’s mission is to help raise awareness, educate, convene, and catalyze impact related to investment and business innovation in environmental sustainability, clean technology, conservation, and climate change & severe adverse weather resilience by connecting leading investors, innovators, industry, dealmakers, and the innovation community in the United States and globally with a significant focus on Texas and the broader South/Southwest.

ABOUT

EarthX’s annual E-Capital Summit is an invitation-only conference that has convened, inspired and catalyzed action from hundreds of investment firms, early to latestage innovators, established global companies, industry thought leaders, national policy-makers, incubators & accelerators, and researchers that have had substantial, positive impacts on investments, businesses, people and our planet.

Over the past five years, the invitation-only E-Capital Summit has convened more than 2,300 participants from over 20 countries, including active participation from more than 220 leading investment firms and more than 250 emerging innovators/companies tackling some of the world’s greatest opportunities in sustainability, resiliency, conservation, clean technology, and climate technology.
