ABOUT US

EarthX is a global multi-dimensional environmental nonprofit organization dedicated to informing and inspiring people and organizations to take action towards a more sustainable future. EarthX was founded in 2011 and is a member of the International Union for Conservation of Nature (IUCN).

OUR FOUNDER

Trammell S. Crow is the founder of EarthX (formerly known as Earth Day Texas), the largest green gathering showcasing the latest initiatives, discoveries, research, innovations, policies and corporate practices serving to reshape the future. With a focus on inspiring environmental leadership across sectors and party lines, Trammell has succeeded in bringing together people and organizations from all walks of life to explore and collaborate on solutions for some of today's most pressing environmental solutions. "Earth is our home, and each of us must play a part to ensure that it is here and inhabitable for future generations," said Trammell S. Crow.

EarthX Conference

The world's leading connector and forum for sustainability in-person and virtual.

EarthX

An international character-based TV network dedicated to promoting the environment and sustainability. Celebrating the people, places, creatures and cultures that make our planet worth protecting.
