CONGRESS OF CONFERENCES

3RD ANNUAL FAMILY OFFICE SUMMIT OLD PARKLAND | DALLAS, TX

As part of Earthx2026's Congress of Conferences, the 3rd Annual Family Office Summit is an invitation-only, intimate gathering for high-net worth individuals or family principals (family members) of family offices/foundations interested in exploring investment, industry innovation, and philanthropic opportunities in environmental sustainability and conservation.

This will be a unique summit for peer-to-peer learning and best practices from family office principals who are leading industry and investment professionals. This will also be a highly valuable event for family principals who are either heavily engaged in environmental sustainability and conservation-related investments and philanthropy or other family office principals that are looking to interact with peers in order to learn more about the potential opportunity, industry trends, and lessons learned.

SESSIONS AND SPEAKERS ARE SUBJECT TO CHANGE
